JERICHO CANYON VINEYARD 2013 *Cabernet Sauvignon*

The 2013 Cabernet Sauvignon opens, inky and brooding in the glass, with rich dark fruits and crème de cassis followed by whispers of crushed violets and baking spices. Devastatingly handsome blackberry and boysenberry flavors are complemented by dustings of mocha. Intense yet velvety canyon tannins will see the wine evolve with the grace and poise of a Julliard dancer.
