

JERICHO CANYON VINEYARD RESERVE 2013 *Cabernet Sauvignon*

From the flawless 2013 growing season, our 2013 JERICHO CANYON RESERVE *Cabernet Sauvignon* is an achievement representing one of the best wines yet to come from the canyon. Left on the skins to create complex tannins that are both soft and sweet, the wine is as supple, voluptuous, and round as Botticelli's Venus. With the classic notes of blackberry, cassis, dark chocolate, and a hint of spice, this wine's richness will only grow with age, rewarding your patience with even greater depth of character. JERICHO'S RESERVE is a pure expression of one of Napa Valley's greatest vintages.
