NAPA VALLEY

JERICO CANYON VINEYARD 2019 *Sauvignon Blanc*

When June canopies bolted after copious winter and spring rainfall, it was 2019's emerging crop that finally put the brakes on vine growth. With a temperate June and July, it wasn't until August that the temperatures started to pop. Those high temperatures sent us headlong into the 2019 harvest of Sauvignon Blanc.

Maybe it was the fully saturated soils, maybe it was the exhilarating rush from the boringly average June and July temperatures right into August's jumpin' high heat. Whatever it was, this *Sauvignon Blanc* is popping, too. Vibrant with juicy white pineapple, fresh with passion fruit aroma, and ringing with a hint of lime zest. The wine gives you that zing of a Starburst with every sip. Fruit picked at the peak of its expression and 100% barrel aged on its lees, Jericho Canyon's *Sauvignon Blanc* is one crisp, rich, and full-bodied wine.

WINEMAKER Nicholas Bleecher

AGED 6 months in barrel, 50% Neutral French Oak
50% Stainless Steel, 100% *sur lie*
