JERICHO CANYON VINEYARD 2017 *East Elevation Cabernet Sauvignon*

A beautiful and aromatic Cabernet, bright with black cherry notes, Jericho Canyon's East Elevation 2017 shines with the warming early morning light. Rich ripe blackberries combine to form a dark core luxuriating in finely textured tannins. The silky mouthfeel is kept interesting with the ever so subtle savory notes of thyme and comforting hints of baking spices.

Drink this elegant wine while youthful, or age to further develop its complexity.
